

Fact Sheets

- [Technology: Integrated Whole-Building Design](#)
- [Technology: Daylighting](#)
- [Technology: Glazing Selection](#)
- [Technology: Passive Ventilation](#)
- [Technology: Flat Plate Solar Water Heating Panels](#)
- [Technology: Passive Solar Design](#)
- [Technology: Shading and Sun Control](#)

Presentations

Design Guidelines for Integrating Renewable Energy in Commercial Buildings

Loren Abraham

Download Presentation:

- [Introduction](#)
- [Part I: Renewable Energy Context](#)
- [Part II: Overview of Renewable Energy Design Process](#)
- [Part III: Overview of Renewable Energy Choices](#)
- [Part IV: Standard "Rules of Practice" & Design Guidelines](#)
- [Part V: Incentives & ROI](#)
- [Part VI: Overview of Renewable Energy Tools & Resources](#)
- [Part VII: Renewable Energy Case Studies](#)
- [Part VIII: Conclusions](#)

Best Practices in Daylighting and Passive Systems for Small Commercial Buildings

Tom Brown

Download Presentation:

- [Part 1: Integrated Design, Passive Solar Resources](#)
- [Part 2: Passive Solar, Passive Ventilation, Tools](#)
- [Part 3: Daylighting Fundamentals, Studies, Strategies](#)
- [Part 4: Daylighting Strategies, Glazing, Resources](#)
- [Part 5: Daylighting Strategies, Shading, Case Studies](#)

Designing Solar Hydronic Space and Hot Water Heating Systems for Single and Multi-family Residential Buildings

Bob Ramlow, Midwest Renewable Energy Association Co-founder, BOD member, Workshop instructor

Download Presentation:

- [Designing Solar Hydronic Space and Hot Water Heating Systems for Single and Multi-family Residential Buildings](#)

Zero Energy Architecture Workshop

Joel Loveland, Director Seattle Integrated Design Lab and the Weidt Group, Minnetonka, MN

Download Presentation:

- [Zero Energy Design for Commercial Buildings in Minnesota](#)

Photovoltaic Application and Design

Christopher LaForge, Great Northern Solar

Download Presentation:

- [Photovoltaic Application and Design](#)

AIA - In The Mix - Solar Domestic Hot

Bob Ramlow, Midwest Renewable Energy Association Co-founder, BOD member, Workshop instructor

Download Presentation:

- [AIA - In The Mix - Solar Domestic Hot](#)

Renewable Energy Systems for Commercial Buildings

Niels Wolter, MSB Energy Associates, Inc.

Download Presentation:

- [Renewable Energy Systems for Commercial Buildings](#)
